

Bearspaw Post-Secondary check list for Mature Students

What do you need to qualify for funding?

Step 1

- Fill out funding Forms FIRST
- Transcripts from previous post-secondary school (if you are a returning student)
- Select university/college
- Education plan
- What is your major and what is the duration of your program

Step 2

- Once you have applied for funding Students must then apply and register at the university/college they are interested in.
- Once you applied all students must then wait for their acceptance letter which will be either emailed or mailed depending on which institute they are interested in. ONCE you get your acceptance letter please send your letter to Post secondary immediately! To qualify for funding.
- Once you are registered students must then send their Class Schedule to bearspaw post-secondary.

Step 3

- Once Step 1 and 2 are completed then **mature students** are responsible to keep clear communication with Bears paw post-secondary.
- If you are a returning student **who was on academic probation** then keep in mind that you need to do weekly reports with Bears paw Post-Secondary and also you must CC your academic advisor when making reports to post-secondary.
- You are set and ready to start your academic journey, the only step left is to finish your program.
